

Class of 1915

Possible Marriages

IMPORTANT NOTES:

- The information contained here must be checked against actual records. The compiler is not related to any of the people contained herein and makes no claims to the accuracy or validity of any marriages.
- When classmates married they will appear twice, each in their alphabetical spot.
- The number appearing before each entry is the page number in the source.
- The location is the county in which the license was obtained.
- The number at the end of each entry is the license number.
- To obtain copies of complete marriage records write to the County Clerk of the county in question.
- Contact Webmaster at llgbug@genealogybug.net
